

**Westwood Football Booster Club Meeting  
November 17, 2008**

Meeting was called to order at 6:30pm by Corry Johnson

Corry reported that he, Coach Wood, and Chris Freeman were at the Canyon Vista vs Grisham MS football game and made announcements about our Booster Club and tossed out WHS football t- shirts.

Barbara Buchan gave the Treasurer's Report- current balance is \$23,645.79  
The expenses we have left this year are – Banquet, Highlight Video, and Dave Campbell Game  
Income- all the Game Day Sponsors have Paid

Corry reported that the Football Programs did not sell as many as we hoped, we sold about half as many as the previous year. He has approached the cheerleaders, band and sundancers to ask them to purchase the remaining programs at half price (\$5). It was a very nice program, we charged more this year due to higher printing costs.

He also announced that we will be voting on officers at the next booster club meeting- December 15. We are seeking a secretary, vice president and assistant treasurer for the booster club for next season. Please notify a current officer if you are interested in one of these positions or know of someone who would be good for a officer position. Please come to the December 15 meeting to vote on your booster club officers. We also have many committees where folks can get involved- the membership, golf tournament, and football program committees are key fundraising committees and we need good folks for these committees.

Next year we already have Team Breakfast Committee Heads- Lorrie Fry and Kathy Balazs

The Golf Tournament- we may consider having it at Star Ranch Golf Club instead of Avery Ranch. The economy will likely affect the success of this fundraiser.

Banquet- Lanna Domangue reported that the plans are going well and the Banquet meeting is at her house Nov. 18 at 7pm. Corry Johnson said he will follow up with Mr.Dickinsheets to make sure the sound system will be good for the Banquet.

Meeting was adjourned at 7:05pm
