

## Westwood Soccer Booster Club

Welcome, soccer parents, to a new season of Westwood soccer. We, the board members of the Westwood High School Soccer Booster Club, would like to take a moment to tell you about Booster Club and why membership as a booster is important to you and your soccer player.

The *SOCCKER BOOSTER CLUB* provides organizational and financial support for both the men's and women's soccer teams. Financially the *SOCCKER BOOSTER CLUB* supplements the program's budget requirements which are in excess of the funding supplied by the RRISD athletics budget; the sources of the budget supplement are the fundraising projects like blanket sales, concession work, poster fundraiser, parent donations to name a few.

Last year, the *SOCCKER BOOSTER CLUB* provided over **\$8,000** of additional financial support to our coaches, for items that would not have been provided within the RRISD budget –

-  Out of town tournament hotel and meals
-  Field maintenance fees required by the athletics department
-  Goal keeper gloves for both teams
-  Soccer balls
-  Varsity uniforms and practice kits
-  Soap for the locker rooms

Additionally, the *SOCCKER BOOSTER CLUB* covers costs for such items as –

-  Yearbook ad recognizing our seniors
-  Insurance for the program
-  The Memory book
-  End-of-season banquet,
-  Gifts for departing seniors

A critical piece of our funding comes through the *SOCCKER BOOSTER CLUB* membership dues. The dues support the program in the many ways outlined above and help make your child's soccer experience at Westwood High School all the more memorable. Your family can be a member of the *SOCCKER BOOSTER CLUB* for a nominal fee of \$50. In addition to membership in the club you will be able to support one of the many committees listed on the back, participation with the committee groups brings you closer to your child's athletic experience and helps to support the local community. Without your help, we cannot enjoy the kind of success and rewarding experience that we've come to know as the Westwood Soccer program. Here's to another fantastic season for our men and women—GO WOOD!
